

COMPLETE
URGENT CARE

The Doctor will see you NOW!

Flu Vaccine Available NOW!

\$25

injections

\$30 Nasal Spray

Expires February 15th, 2012

Valid at BOTH locations!

In addition to flu vaccination as a preventative measure, the physicians of Complete Urgent Care would generally recommend that patients with fever and associated respiratory symptoms be evaluated by a doctor. This type of presentation is typical of influenza and may warrant flu testing and treatment with antiviral medications such as Tamiflu.
